Free* Needs Assessment

We are pleased to offer a free, four-hour needs assessment for your institution.

- The assessment includes a questionnaire to be completed by your institution on the current state of policies and procedures, compliant rate setting processes, gaps in review processes, and other audit targets.
- Based on your responses, MAXIMUS consultants will prepare, review and deliver a report on the risks and gaps in your service center program.

**Due to high demand, free assessments are available for a limited time only. Please contact us for availability.*
